As Frosh we had only just begun.  
It was the best of everything in our Sophomore year as the  
world turned on "International Day."  
Always "consider yourself part of the family," for we made  
it that way in our Junior Con.  
Cherish each memory of the past; dream of experiences in

be a memory and there's always another tomorrow.  
Today is you and you've only just begun.

## Annual Talent Show

Below, Barb Colliton, Chairman of show, directs plans for a St. Valentine's Day theme. After a successful performance, the entire group at right relaxes for a picture.

Colleen Wheatly, Above, gives a kick during her routine. Debbie Slatt, far left, sings "Alfie" for a solo number. Homeroom 201's star, Kerry O'Leary, in middle, plays the part of "Bridget the Midget".

The Academy Review newspaper staff listen as Tracey tries out a new idea.

HAPPINESS

is being  
with your  
friends

Terri-

To begin with!

never met anyone as weird as you. Don't take that as an insult cuz' it wasn't meant to be one. Actually it's pretty good to be that weird! At least you're one of a kind! Remember to always smile, o.k.

Always  
Candy

Terri,  
I really had fun with you in Spanish this year. I hope we are in Spanish II next year. Have fun this summer be good.

Terri  
Having a friend like you is as rare as a unicorn. You are always respectful for others and very dominating and very precious to have. Thank you for your faith in me. I will always keep your friendship. Love, Molly Stettin  
Terri, your recent a cool person to know and you have a great personality and you are always friendly. Have fun this summer and the three years you go to Love, Jamie

Terri,

In a few more days we'll be big sophomores & not stupid frosh. Being a frosh with you made it worth while. I hope next year we will become better friends! So stay cute, sweet & in touch! Have a fun summer!

Love,  
Terri Allen

Terri;

(note the correct punctuation!) It means so much to me to be considered as a token senior. I mean, if we both open up to each other, an break down the personal barriers, who knows but that a true, deep & I know relationship could begin between us. Now meaningful and relevant! Be a good little crud (alias sophomore) and don't forget our more than valuable friendship. Peace

Shannon  
Hatcher

Terri,  
It's been  
really neat knowing

It's glad to know that I'm not  
the only Italian running around this  
school.  
Good Luck!  
Terri,  
Teria
